FEBRUARY 2020 newsletter

## New website is here

We have a new website to help our current and new patients navigate our services and information. You can reach the site by the same URL. We also have evolved our logo.

On the new site:

- Schedule an appointment
- Easily find resources and patient forms
- New information will appear on the home page
- Doctor and hygienist information is available on the home page

[Visit Our Website](#)

## Meet the team

Even if you are familiar with the VPD team, here's a little more information about them. We are proud of our committed staff.

[Meet Our Staff](#)

## February is National Children's Dental Month

We are celebrating smiles this month. Here's a short list of information important for your child's dental health:

- Schedule your child's first appointment by one year of age
- For other children, schedule regular dental appointments
- Brush teeth twice a day
- Floss
- Avoid "sticky foods"

## Fun work sheets for your kiddos

In order to help reinforce dental health, download some fun work sheets for the kids.
